

Bulletin of Chemical Reaction Engineering & Catalysis

AUTHOR GUIDELINES

BULLETIN OF CHEMICAL REACTION ENGINEERING & CATALYSIS (BCREC) provides a medium for reporting the activities of CREC Group (Diponegoro University), for publishing research results of CREC group, and disseminating the novel technology and news related to chemical reaction engineering and catalysis engineering.

Scientific articles dealing with chemical reaction engineering, catalysis engineering, catalyst characterization, novel innovation of chemical reactor, etc. are welcome particularly from CREC Members and abroad from Researchers around the world. The article should be submitted by sending the manuscript electronically in MS Word/PDF to Editorial Office email address (bcrec.undip@gmail.com or bcrec@undip.ac.id). English and/or Indonesian language could be used in the preparation of article in this publication, but English is preferable.

Submission information

All manuscripts can be submitted to the editorial office by e-mail to: bcrec.undip@gmail.com or bcrec@undip.ac.id

The following materials should accompany manuscripts submitted to the editorial office:

- (a) a signed copyright status form (a copy reproduced from the website),
- (b) a covering letter, outlines the basic findings of the paper and their significance.

However, if for any reason authors are unable to use the above methods, they may also send the manuscripts by regular mail to the editorial office according to the following address:

Four types of manuscripts are acceptable for publication: CREC activity news, Research articles, Reviews, and Research Notes.

Preparation of manuscripts

Manuscript of research article or reviews should be prepared in 'camera ready', according to the guidelines in the website: <http://bcrec.undip.ac.id/author.php>

Reviewing of manuscripts

Every submitted paper is independently reviewed by at least two peers. Decision for publication, amendment, or rejection is based upon their reports. If two or more reviewers consider a manuscript unsuitable for publication in this Journal, a statement explaining the basis for the decision will be sent to the authors within three months of the submission date. Manuscripts rejected will not be returned to the authors.

Revision of manuscripts

Manuscripts sent back to the authors for revision should be returned to the editor without delay. Revised manuscripts can be sent to editorial office by e-mail. Revised manuscripts returned later than three months will be considered as new submissions.
